THE EVENING HERALD,
Shenandoah, Penna.

Evening Herald.

THURSDAY, AUGUST 9, 1894.

Republican State Ticket.

For Governor,
GENL. DANIEL H. HASTINGS,
Centre county.

For Lieutenant-Governor,
WALTER LYON,
Allegheny county.

For Auditor-General,
AMOS H. MYLRE,
Lancaster county.

For Secretary Internal Affairs,
JAMES W. LATTI,
Philadelphia county.

For Congressmen-at-Large,
GALUBA A. GROW,
Susquehanna county,
GEORGE F. HUFF,
Westmoreland county.

The Chinese fleet of 13 vessels which
went in search of the Japanese warships
could not find them. There is that un-
lucky number again.

A gold reserve accumulated under the
operation of Republican legislation seems
to be abhorrent to a Democratic Admin-
istration. It will soon be exterminated,
however, at the present rate of depletion.

It is almost a year since Congress was
called together in extra session and Gen-
eral Harrison made the famous remark
about Mr. Cleveland's unenviable task of
driving the wild horses. The President's
opinion on the subject would be interest-
ing at this time.

Now that the Democratic tickets are
complete the Republicans can go to the
primaries with their eyes open, and upon
their judgment alone will the result next
fall depend. The people want a change,
but they are not so hungry that they will
swallow anything and everything.

A MAN in Montgomery county, who re-
cently died at the age of ninety years, is
said to have made the remark on his
deathbed that the one great mistake of
his life was that he never married.

AT NO TIME in the history of the world
has the cause of woman suffrage been so
prominently before the public as now.
No matter what one's individual views on
this matter may be, there is no doubt
that the question is being thor-
oughly discussed and fully aired on all
sides. Men and women of all classes and
all ages are discussing the pros and cons
of equal rights for both sexes. The prin-
cipal during the last year which the cause
congratulates itself upon is, that it has
been taken up by many of the richest and
most exclusive society people in New
York and other great cities. It has been
added that no movement for women will
succeed, until the leaders of fashion adopt
it. If this is so the cause of woman suffrage
is on the gain. Whether the suffrage
is given to women or not, all this
agitation is sure to develop some strange
conditions hitherto unknown.

The steepest mountain railroad in the
world has recently been completed in
Southern California, near Pasadena. It is
so very steep that the rack could not be
used as on Mt. Washington and Pike's
Peak railways and certain others in
Switzerland. The California railroad is
operated by a wire cable attached to the
cars, and an ascending car is raised by the
weight of a descending one. Echo Moun-
tain, up which this railroad runs, is so
steep that ordinary tourists have never
been able to climb it. The railroad had
to be built downward, so that material
and tools might, if they accidentally
slipped, go to the bottom without injuring
the works under them. The summit of
the mountain is as high as the crater of
Mt. Vesuvius, and gives extensive views
all over Southern California and away out
to the Pacific Ocean. If science keeps on
there will be no part of the earth too high
or too low, too remote or too deep, for it
to bring to the service of humanity.

GENERAL TARSNEY'S ASSAILANT

An Oath Bound Organization "for the
Suppression of Anarchy."
COLORADO SPRINGS, Aug. 9.—Dr. J. T.
Reed, who was pointed out to the detec-
tives in Denver as one of the principals
in the Tarsney outrage by ex-Deputy J. R.
Wilson after he made his confession, is a
prominent mine owner and politician. He
was brought to this city in company with
Wilson by Sheriff Bowers, and bonds were
given for their appearance, while
Wilson was locked up along with ex-Deputy
Parker, who has also made a confession.

An extraordinary document was found
on Dr. Reed when he was searched in
Denver. It is a lengthy oath showing
that he was a member of a "society for
the suppression of anarchy," and is in part
as follows:
"In the presence of Almighty God and
those witnesses whom I have this day
chosen as my associates and companions,
I, ———, do most solemnly and sincerely
promise and swear that I will do my duty
at any and all times as may be planned
and agreed upon by these, my sworn com-
panions, in exercising just and needed
punishment on anarchists and such other
criminals and murderers and strikers in
Cripple Creek and their fellow sympathiz-
ers, either in high or low positions, the
executive of the state not excepted, as we
shall deem guilty of crimes against law
abiding citizens of the United States
where human lives have been sacrificed,
real and personal property destroyed or
stolen, and many happy homes broken
up."
Wilson told the detectives all the parties
to the conspiracy subscribed to this oath.

Cash and Cashier Missing

ALTOONA, Pa., Aug. 9.—Harry A. Gar-
ner, cashier of the Second National bank
of this city, left here Monday night in
company with a Mrs. Gordon, who is said
to have lived at 3017 Mervine street, Phil-
adelphia, and to whom Gardner has been
so attentive during the past year as to
excite much unfavorable comment. A di-
rector of the bank is authority for the
statement that Gardner has also taken
with him a large sum of money belonging
to the bank. The books have not yet been
fully examined, but the same director
estimates the amount taken to be about
\$29,000. The stockholders say they are
willing to make good any shortage. Gar-
ner has held a prominent place in busi-
ness and social circles for many years,
and leaves behind him in Hollidaysburg,
his former place of residence, a wife and
four young children.

OMAHA, Aug. 9.—The situation at the
packing houses is more serious than heretofore.

cided to employ the state troops unless

from returning to work.

The New Style

Dr. Pierce's invention and is full of
improvements. They are used by everyone
—high livers, bad livers, those whose livers
are sluggish—all find relief in Dr. Pierce's
Pilement Pellets.
To begin with, these "Pellets" are the
smallest, and easiest to take. They're tiny,
sugar-coated, anti-bilious granules that
easily take readily.
Secondly—They're perfectly easy in their
action—no gripping, no disturbances.
Thirdly—Their effect is lasting.
Fourthly—Put up in glass—always fresh.
Fifthly—They're the cheapest, for they're
guaranteed to give satisfaction, or your
money is returned. You pay only for the
good you get.
LASTLY—They absolutely cure Constipa-
tion, Indigestion, Bilious Attacks, Sick or
Bilious Headaches, and all derangements of
the liver, stomach and bowels.
